Hi Valois –

Here are some proposed revisions. If you have time in the next couple of days, it probably makes sense for you to take a look at this and see what you think before we pass it along to Matt. I've suggested a lot of changes, so you may find it easier to review in "no markup" mode. Happy to talk through any of this. Thanks for drafting it.

Thanks, Valois. Is the idea of this document to be included in the record and to be referenced in the statement of basis (and maybe elsewhere)? Sounds fine if so — I just want to be sure I understand the context.

Great. When you have something ready for me to look at just pass it along. Fine if it's rough.

That has given me a good start.
